AN ORDINANCE**

**MAKING AN ALLOCATION OF \$3,000,000 FROM THE CITY'S AMERICAN RESCUE PLAN ACT (ARPA) FUNDING TO THE READING FIGHTIN' PHILS ORGANIZATION TO ASSIST WITH THE IMPROVEMENT PROJECT PLANNED FOR FIRSTENERGY STADIUM**

**WHEREAS**, The City of Reading has a long and rich history with baseball originating with the Reading Athletic Club in 1858, evolving to 1884 when the team was renamed the Reading Actives. The Actives became a member of the Interstate Association and founding members of the Eastern League of Professional Baseball Clubs in 1884; and

**WHEREAS**, Reading became home to the Class-A affiliate of the Boston Red Sox in 1933 and an affiliate of the Cleveland Indians in 1952 where Rocky Colavito, and Roger Maris began their successful major-league careers; and

**WHEREAS**, FirstEnergy Stadium, built in 1950 as Reading Municipal Memorial Stadium, became home to the Reading Phillies, an affiliate of the Philadelphia Phillies after a new Eastern League expansion in 1967; and

**WHEREAS**, The Reading Phillies, rebranded as the Fightin Phils in late 2012, are the oldest team in the Eastern League to play in their original stadium and originating city and with the most seasons under their original name; and

**WHEREAS**, The Greater Reading region has joined together to assist in the expansion of FirstEnergy Stadium so it conforms to the new Major League Baseball standards which will allow this critical economic driver to remain in its hometown; and

**WHEREAS**, FirstEnergy Stadium has provided Phillie Phan's with 70+ years of local Minor League baseball, where baseball greats such as Larry Bowa, Greg Luzinski, Bob Boone, Mike Schmidt, Scott Rolen, Jimmy Rollins, Cole Hamels, Carlos Ruiz, Ryan Howard, Aaron Nola and Rhys Hoskins started their successful careers in Major League Baseball; and

**WHEREAS**, the COVID-19 pandemic has resulted in a significant loss of revenue to the Reading Fightin' Phils organization, which has limited its ability to maintain its stadium and related improvements, among other things.

**NOW, THEREFORE, THE COUNCIL OF THE CITY OF READING HEREBY ORDAINS AS FOLLOWS:**

**Section 1.** The foregoing "WHEREAS" recitals are hereby ratified as being true and correct and incorporated herein.

**Section 2.** The City of Reading and County of Berks recognize that the Fightin Phils are a major local economic driver that needs to remain in Reading as the team has attracted people to this region for multiple decades.

**Section 3.** The City of Reading and County of Berks recognize that the improvements to FirstEnergy stadium will expand its ability to host year-round events that will draw more people to the facility and surrounding bars, restaurants, hotels, etc., and will continue to provide family friendly entertainment and will retain local taste of major league baseball that the region has become dependent on for 100+ years.

**Section 4.** The City of Reading also recognizes that COVID-19 cancelled the 2020 season, which had a devastating effect on the revenue received and coincidentally the ability of the Reading Fightin' Phils organization to make the required improvements to its stadium.

**Section 5.** The City of Reading allocates \$3,000,000 in ARPA funding to the Reading Fightin' Phils organization in support of the long and strong partnership with the Fightin Phils and the Philadelphia Phillies organizations.

**Section 6.** This ordinance shall become effective ten (10) days after its adoption, in accordance with Sections 219 & 221 of the City of Reading Home Rule Charter.

BILL NO. \_\_\_\_\_ 2022

AN ORDINANCE

AN ORDINANCE AMENDING THE CITY OF READING CODE OF ORDINANCES BY CREATING CHAPTER 317 INVASIVE PLANTS AND NOXIOUS WEEDS AS ATTACHED.

Whereas, lands protected from development are not truly conserved if diverse natural communities degrade over time as a result of invasion of a relatively small number of aggressive species; and

Whereas, the goals of invasive species management are to reduce the impact of invasive plants on preserves, help other landowners manage invasive plants on their lands, and educate the public about this environmental problem; and

Whereas, vines climbing trees and exotic shrubs that choke abandoned fields have the ability to displace native vegetation, halt the natural process of succession from field to forest, and homogenize the structural and food resources of a site, thereby reducing its habitat value for native fauna; and

Whereas, invasive species are problematic as they can alter nutrient cycling, local hydrology, fire regimes, species diversity, available wildlife resources, and prevent growth of native species due to competition for light, nutrients, and/or moisture, and

Whereas, the Commonwealth of Pennsylvania requires municipalities to assist with implementation and enforcement of the Controlled Plant and Noxious Weed Act, 3 PA CS Section 1501 et seq.,

THEREFORE, THE CITY OF READING CITY COUNCIL HEREBY ORDAINS AS FOLLOWS:

SECTION 1. Amending the City of Reading Code of Ordinances by creating Chapter 317 Invasive Plants and Noxious Weeds as attached.

SECTION 2. All relevant ordinances, regulations and policies of the City of Reading, Pennsylvania not amended per the attached exhibit shall remain in full force and effect.

SECTION 3. If any section, subsection, sentence or clause of this ordinance is held for any reason to be invalid such decision shall not affect the validity of the remaining portions of the Ordinance.

SECTION 4. This ordinance shall become effective ten (10) days after approval in accordance with Section 221 of the City of Reading Home Rule Charter.

# AGENDA MEMO

## FINANCE DEPARTMENT

**TO:** City Council  
**FROM:** Jamar Kelly, Finance Director  
**PREPARED BY:** Michael R. Oppenheimer, City Controller  
**MEETING DATE:** January 10, 2022  
**AGENDA MEMO DATE:** December 27, 2021  
**REQUESTED ACTION:** TO WRITE OFF A RESIDUAL INTERFUND RECEIVABLE; GENERAL FUND RECEIVABLE FROM THE CITY'S WATER FUND (FUND 50), NET UNREIMBURSED COST ALLOCATIONS AND PAYROLL CHARGES, EFFECTIVE DECEMBER 31, 2021

### RECOMMENDATION

The Managing Director recommends the above action be taken to write off a General Fund receivable from the City's Water Fund, amount totaling \$157,636.48 that is recorded in the City's general ledger.

### BACKGROUND

It recently came to the attention of Finance that over the years, there have been cost allocations and payroll charges recorded between the General Fund and the City's Water Fund where the City's Water Fund was to reimburse the General Fund certain operating costs; such reimbursements have not been fully made by the City's Water Fund to the General Fund. As a result of all interfund activity over the years, there is a net General Fund receivable from the City's Water Fund, and a net City Water Fund payable to the General Fund, of \$157,636.48; substantially all of this balance is from 2011 to prior to 2002.

### BUDGETARY IMPACT

The proposed write off of this net General Fund receivable from the City's Water Fund will have the effect of increasing General Fund 'transfer to Water Fund' (an expenditure) of \$157,636.48 and increasing City Water Fund 'transfer from General Fund' (a 'revenue') of \$157,636.48.

### PREVIOUS ACTIONS

In March 2021, Bill 17-2021 was enacted, authorizing an interfund writeoff of \$2,000,000.00, which was an estimated amount.

#### SUBSEQUENT ACTION

Council to take action to approve an ordinance to write off allocated City expenditures from 2011 to prior to 2002 as described above.

#### RECOMMENDED BY

The Managing Director recommends approval.
